EDUCATION

Degree	Date	Field	University/School
1-Secondary schoolgeneral secondary school (1992-1994).....			
2-B.Sc. General chemistry, Chemistry department , Sebha University, Libya(1994-1998)			
3-M. SC. in analytical chemistry , Chemistry department , Sebha –University, Libya (2004-2008). (Surface Modification Of Silica Gel For Elimination Of Some Metal Ions From Aqueous Solutions)			

EXPERIENCE

*Demonstrator, for teaching analytical chemistry students (1999-2008)
* Lecture assistant in chemistry department, faculty of science, Sebha University (2008-2017)

PUBLICATIONS

1-(*Modification of Silica gel Surface by Polyacrylamide through the Redox*

Initiation of Ceric Ammonium Nitrate-Sodium Sulfite System), J.

AL-AZHAR BULL.SCI.VOL.20, NO.2 (DEC.):PP.59-74, 2009.

2- (*Adsorption of Ca (II) & Mg (II) ions from Aqueous Solutions by Surface*

Modified Silica gel), J. Sebha University pure and Applied Sciences, 28(6),2012;568.

FIELD OF STUDY:

Major: analytical chemistryminor: elimination and adsorption of toxic heavy elements from aqueous Solutions.

FIELD OF INTEREST

- 1- *Adsorption.*
- 2- *Separation.*
- 3- *Electro analysis of metals and chemically electrodes.*
- 4- *Environment*
- 5- *Modification of silica gel by organic compound*

PERSONAL INTEREST

..Reading , traveling , sports, cooking
