PERSONAL STATEMENT

- **I am a motivated and hard working engineer seeking to further my professional experiences, and to take on challenging responsibilities within real working life.**

- **(M.Sc) in Pavement Engineering from Nottingham University with Distinction (Excellence) / (Higher diploma) in Asphalt Mixtures from Tripoli University, Tripoli -Libya /**
- **Bachelor of Civil Engineering from SEBHA University**

- **Strong problem solving skills Particularly, with bituminous mixtures designing**

- **Proven ability to devise innovative solutions to challenging problems, equally able to work on own initiative or as part of team.**

EDUCATION

Current Qualification

- **December 2008- Present M.Sc University of Nottingham W. Midlands, UK**

Previous Qualifications

- **Fall /2003- Higher Diploma after Bachelor Degree for M.Sc requirement. (Major Asphalt Mixtures Design and Quality control) University OF Tripoli, Libya.**

- **Fall 1998/1999- Bachelor in Civil Engineering (B.Sc). SEBHA University**

RELEVANT SKILLS

- I speak, read, and write fluently in English and Arabic. Basic German.
- ICT Proficient
- Making presentations Proficient
- Microsoft Excel/ Microsoft Word/ Asphalt Design software developed by "Shell Oil Company" BISAR Proficient

RELEVANT WORK EXPERIENCE

- April 2000 – March 2002 Urban Planning office
SEBHA, LIBYA
- April 2004-August 2005 Asphalt and Concrete Mixtures Laboratory Supervisor for design and controlling asphalt materials (Bitumen and aggregate gradations), material testing. Africa Company, SEBHA Libya, Project on maintenance of SEBHA airport
- May 2008-September 2008 NTEC (Nottingham Transport and Engineering Centre) for my won Project (Using Stiffness Moduli and Image Analysis to Detect & Quantify the Distributions of Reclaimed (Recycled) and Virgin Asphalt Materials. The Samples were carefully designed and compacted by 'Gyratory Compactor'
- November -2007 Assistance to Libyan Technicians who came to the centre (NTEC) as part of training from ALFATIH University
- January 2009 quality control supervisor in engineering consulting agency (Alain Consulting office- Tripoli)
- January 2014 Housing and Utilities Sector Responsible

INTERESTS

- I enjoy researching new ideas, new challenges, and experiences. I am keen on solving puzzles, taking part in competitive group activities.
- I enjoy travelling, meeting new people, and exploring different cultures
