

CURRICULUM VITA

Personal details:

Name: Khalid Hussain Mohamed Ali

Date& Place of Birth: Oct.24, 1983, Tmissan-Libya

Marital status: Married

Nationality: Libyan

Address: Sabha Libya

Mobile Number: (+218) 0917698886

E-MAIL: khalid.hussain50@yahoo.com

Education:

- MSc in petroleum geosciences (Tectonic) from Royal Holloway University of London, UK (Full time course 2009\2010).
- B.Sc. in Geology from Sebha University, Libya throughout the academic semesters from Fall 2001 to Fall 2008 and gained GPA of 71.42% (Good).

Modules :(MSc)

- Tectonics & Lithosphere Dynamics
- Structural Analysis (Structural interpretation in sedimentary basins)
- Geophysical Analysis (Seismic Acquisition & Processing, Seismic Interpretation)
- Advanced Structural Analysis (Salt Tectonics, Fractured reservoirs and fluid flow, Section Balancing)
- Advanced Structural Modelling (Analogue modelling exercise, well log analysis)
- Petroleum Systems
- Independent Project (Miocene gravitational collapse structure offshore Sirt Basin, Libya) using Geoframe 4.4 software from 3 May to 2 September 2010.

Field trips MSc.

North Somerset and Devon, UK, October 5th – 9th, 2010.

Gulf of Suez, Sinai, Egypt, February 6th – 13th, 2010.

Field trips B.Sc

Field methods 1, (South west Murzuq basin, Libya) Fall 2005.

Field methods 2, Nafusah Mountain, Gerian, Libya) spring 2007.

Scholarships

National Oil Company (NOC) and British Petroleum (BP) scholarships programme: MSc scholarship award.

Work Experience:

- **Geologist:** trainee in British Petroleum (BP) Company from 1/10/2008 to 30/9/2010 included English language as well as educational courses.
- **Structural geologist:** Full time lecturer in structural geology at Sebha University from January 2012 to present.

Training Courses:

- Academic English Summer Pre-sessional Programme – Royal Hollowly, University of London, UK from 20th July 2009 to 11th September 2009.
- English courses in APT center, Tripoli Libya from 5th October 2008 to 1st July 2009, accompanied by short courses in Seismic interpretation.
- PetroSkills Basic Geophysics Course - from 22-26 March 2009, Tripoli, Libya.

Skills & Hobbies:

- Good English skills (reading, writing and speaking).
- Good computer skills, Microsoft office, Surfer, CorelDraw, Illustrator.
- Geophysical Softwares: Kingdom and Geoframe 4.4 Softwares.
- Playing Football and reading newspapers

Referees:

1- Dr. Ali Saleh Aboazoum

- Professor of Geochemistry (Sebha University)
- Head of Earth Sciences department
- Email address: Aboazom_60@yahoo.com

2- Prof. Mohamed M. EL-Chair

- Hydrology and structure geology specialist
- Sebha university, Earth Sciences department
- Phone number: +2180925131477

3- Prof Chris Elders

- Professor of Petroleum Geoscience
- Department of Earth Sciences
- Royal Holloway
- University of London
- Egham
- Surrey TW20 0EX
- Tel: 01784-443627
