

Curriculum Vitae

Date: Sep. 2017.

To Whom It May Concern

My name is **Aiman Salem Almahdi Alhodairy** and I was born on Oct.11th.1980 in Sabha City, Libya. I attended the University of Bengazi, Faculty of Engineering and Technical Sciences, Department of Civil Engineering. The applied Engineering Program was 5 years. I obtained my Bachelors degree in the autumn of 2002/03.

From October 2004 until I went to the USA on Mar 17, 2009, I worked at Sebha University, Libya; I worked as a Civil Engineer in the Engineering & Projects-Technical Department. I was responsible for several projects such as designing concrete structures, construction, maintenance and renovation of buildings. Also, I was a member of many committees for the projects of Sebha University. From August 2003 until March 2009, Outside official working hours, I worked in many Engineering Office and Engineering Company as a site engineer. I oversaw many projects, and I was the leader of group works for many large projects.

In May 2009, I went to USA to attend a full time student of the Masters of Science Degree Program at Colorado School of Mines of at the faculty of Civil Engineering, majoring in Structural Engineering. I graduated in May 2012 with an excellent GPA .

From Oct. 2013 to Aug. 2015, I was a Faculty member at University of Sebha, Faculty of Engineering and Technical Sciences, Department of Engineering Divisions. I taught some courses such as, Engineering Mechanics, Strength of Materials, etc. since Sep. 2016, I have been a Faculty member at University of Sebha, Faculty of Energy & Mining Engineering (EME). In addition of being a Faculty member at EME, I am recently the Head of Quality Assurance and Performance Monitoring Department at the Faculty of EME, as well as a consultant to some engineering offices, and member of some organizations interested in civil society affairs.

Regards,

Mr. Aiman Salem Alhodairy
