

Curriculum Vitae (CV)

Ali M A AL-ZWI : NAME

الاسم رباعي: علي محمد أحمد عبدالرحمن الزوي.

Full Name	ALI MOHAMMED AHMED ABDULRHMAN AL-ZWI	
Phone number	+ 218 092 891 22 87	
E-mail (university Email)	(ali.alzwi@sebhau.edu.ly)	
Department	BOTANY DEPT	
Research Area Key words (5 at least)	Plant Science specifically in plant molecular genetics / cell biology / growth and development of plant cells.	
Award & Fellowships	Awards: Three certificates from (ELTC, English Language Teaching Center UK, 2000 – 2001). Two certificates from OCR (Oxford Cambridge and RSA Examination (In computer literacy and information technology, 2002). One certificate from (REFERENCE COMPANY, Using Technology in Teaching, Amman - Jordan 2013). Also many honor certificate awards such as one from the Dean of Sebha University 2014 and another two from the Dean of the faculty of science Sebha university (2015 and 2016)	
Education	Qualifications: BSc. in Botany, Sebha University (1988 - 1989). MPhil Degree (Master of Philosophy in plant molecular genetics from the Department of Plant Science, Sheffield University UK, (2006 – 2007), Alfred Denny Building, Western, Bank, Sheffield S10 2TN, UK.	
Publications (journals)		
Academic papers		
<ol style="list-style-type: none"> 1. Poster in Symposium Day at Sheffield UK (2005) Title: The response of <i>Arabidopsis thaliana</i> to elevated boron. 2. Abstract: The impact of Boron on the growth and development of <i>Arabidopsis thaliana</i>, UK. 3. Boron-regulated hypocotyl elongation is affected in <i>Arabidopsis</i> mutants with defects in light signaling pathways [2009] Kocábek, Tomáš Svoboda, Zdeněk. Al-Zwi, Ali M. Rolfé, Stephen A. Fellner, Martin. Environmental and Experimental Botany, Volume 67, Issue 1, November 2009, Pages 101-111. 		

--

Working Experience

1. Teaching secondary school students in general science and computer science (1989 -1994).
2. Lecturer as a helper at Sebha University (2007 -2009).
3. Staff member of Sebha University from 2009 until now.
4. Supervising many undergraduate student researches.
5. Head of study and examination department at faculty of science Sebha University (2012 -2013).
6. Head of quality department at faculty of science Sebha University (2012 -2013).
7. Member of Libyan Academic club in the city of Sebha from 2012 until now.
8. Taking part in conferences and workshops in the southern region as a member or head of work groups in the past and recently.
9. Head of the department of Botany faculty of science Sebha University from 2013 until now.

Departmental Duties & Activities

1. Coordinator of the studies and examinations in Botany Department.
2. Teaching undergraduate students in Cell Biology courses, Plant genetics and Molecular Biology and genetic engineering.
3. Overseeing many research and seminars.
4. Head of computer science department at the administration center of Bark Libya (1989 - 1994).
5. Head of computer science department at Sebha high institute (1994 -1999).
6. Coordinator of quality section at Botany department faculty of science Sebha University (2012 -2013).

Professional Memberships/Activities

1. Member of Libyan Academic club in the city of Sebha from 2012 until now.
2. Taking part in conferences and workshops in the southern region as a member or head of work groups in the past and recently.
3. Lecturer as a helper at Sebha University (2007 -2009).
4. Staff member of Sebha University from 2009 until now.
5. Taking part in training university teaching workshop at faculty of science Sebha University (2009 - 2010).
6. Taking part in quality training workshop at faculty of science Sebha University 2012.

Date 8/4/2017

Mr. Ali M A Al-Zwi .
