Curriculum Vitae

Name: Fatima Ahmed Almbrouk Alsayd

Date of Birth: 17/ 12/ 1991

Nationality: Libyan

E-mail:

fatmaalsayd77@gmail.com

University Education:

-B.Sc. (Faculty of Science Sabha University, libya.) 2015 in Statistics.

-M.Sc (Faculty of Science Helwan Univ.) 2019 in Mathematical Statistics

(Some Methods For Study of Reliability Function for Repairable Systems).

Current Position:

- Lecture in the Department of Statistics, College of Science, Sabha University. (from 1-9-2019 till now).

Languages:

Arabic and English: very good writing, reading and speaking.

COMPUTER SKILLS:

Carefully used the computer programs such as:

(Windows, Office Excel, Power point) and Intent abilities.

Carefully used the specified computer programs such as: SPSS, Minitab, Mathematica, Maple, Fortran Power station, scientific program (scientific work place & Latex).

PUBLISHED WORK:

1- Abu-Youssef, S. E., and Assed, F. A. Stochastic Analysis of Two Non identical Unit Parallel System Incorporating Waiting Time and Preventive Maintenance. Journal of Advances in Mathematics 14(2) (2018): 7946-7964.

2- Abu-Youssef, S. E., and Assed, F. A. Derivation the Availability of a System with one unit in Abnormal Weather Conditions by using Laplace Transform With application to Case of Normal Weather. This section was presented in the one day conference: In the International Day of Mathematics in Al-Azhar University 16 (3) (2019).
